Examples: wind chimes using recycled glass with smooth edges, painting with plastic bags and stencils using newspaper. Who knows, we may find some tree bark to add texture to our clay creations.

Peace, Love and Pottery July 18-22

60's theme- We'll be making cool projects using the potter's wheel, handbuilding and coils, peace signs, groovy colors and tie die techniques will be explored this week.

Animal Safari August 1 – 5

Lions, Tigers and Bears- Oh My! Campers will use handbuilding and wheel throwing to make amazing animal creations. Projects include a super fun clay mask, painting colors to bring our animals to life, fused glass critters and more!

Gone Bananas August 15 --- 19

Food in all its forms will inspire projects for food containers and food sculpture. Campers will use slabs, modeling techniques, and wheel throwing to make delicious projects decorated with scrumptious colors. We'll also create a special food related piece using colorful, kids safe fused glass.
